Joshua Williams

IT Support Specialist

661-998-9213 | joshua_jwilliams@yahoo.com | Rosamond, CA | Joshua Williams | LinkedIn

PROFESSIONAL SUMMARY

Computer science student with hands on experience in Windows and Linux systems, networking fundamentals, and hardware troubleshooting through technical coursework and specialized IT training. Interested in pursuing an IT Support internship where I can apply my troubleshooting skills, continue learning from experienced technicians, and provide technical support to end users. Currently studying towards A+ certification.

EDUCATION

Bachelor of Computer Science | California State University, Bakersfield | Lancaster, California | Anticipated Graduation: 2027

TECHNICAL SKILLS

Operating Systems: Windows 10/11, Linux (Command Line)
Hardware: Desktop hardware installation, RAM and storage upgrades, Peripheral installation, Basic PC troubleshooting
Networking: TCP/IP fundamentals, IPv4 addressing, LAN configuration, Wired and wireless networking
Technical Tools: Windows File Explorer, Command Prompt, Disk Management, Basic Linux terminal commands

RELEVANT IT EXPERIENCE

Computer Networking & Operating Systems
Antelope Valley College | Spring 2021

- Completed coursework focused on operating systems and computer networking.
- Configured Windows and Linux systems through hands on lab assignments.
- Practiced file management, permissions, storage configuration, and command line administration.
- Applied networking and server concepts through classroom projects and technical exercises.

IT Hardware & Networking Training
Specialized High School Program | 2018 – 2020

- Completed year long TestOut PC Pro (CompTIA A+) and Network Pro coursework covering computer hardware, Windows operating systems, networking fundamentals, security, and troubleshooting.
- Performed hands on LabSim exercises and practical assessments designed to reinforce hardware installation, operating system configuration, networking concepts, and common IT support tasks.
- Successfully completed all course modules, quizzes, virtual labs, and comprehensive practice assessments.
- Earned a score of 1920/2000 on the program's comprehensive CompTIA A+ practice exam.

ADDITIONAL TECHNICAL EXPERIENCE

- Assisted a family friend in diagnosing and improving the performance of a slow Windows laptop by identifying unnecessary startup programs and performing basic system maintenance.
